Are you ready to study business at a highly ranked U.S. university? Join us at Northeastern University’s D’Amore-McKim School of Business. Northeastern is a global, experiential, research university built on a tradition of engagement with the world, creating a distinctive approach to education and research.

This dedication to global learning has resulted in academic programs that welcome international students and embrace diverse perspectives. Here you will find a supportive environment, challenging courses, and exciting professional opportunities—all in the center of Boston, Massachusetts’ capital city and one of America’s most vibrant business and cultural centers.

THE VALUE OF GRADUATE BUSINESS EDUCATION
D’Amore-McKim graduate programs are designed to meet the needs of students and professionals in a global economy. Faculty and industry guest lecturers incorporate real case studies into the classroom experience. You’ll hear about how theory and best practices are actually implemented in real businesses, and get a better sense for how you might be able to apply your new knowledge to your own professional life. Let us help you prepare for your future.

At the D’Amore-McKim School of Business, you will have the opportunity to learn from respected career professionals. Our world-renowned faculty includes the founders of tech start-ups and respected management leaders. In the classroom you will study alongside an experienced and diverse group of classmates who share your passion for business and innovation.

Northeastern University is consistently ranked among the Top 40 U.S. Research Universities by U.S. News & World Report and Forbes magazine has ranked D’Amore-McKim School of Business among the Best Business Schools in the nation for Return on Investment.

F-1 VISA COMPLIANT PROGRAMS
The D’Amore-McKim School of Business offers many F-1 compliant master’s degree programs to help you reach your career goals. Graduate certificate programs are another exciting option. These programs can be completed in just 4 or 8 months and offer a quick route to career advancement. A graduate certificate can help you learn essential business skills to apply to your career today, while earning credits that can apply to a full degree in the future at Northeastern University.

GAIN VALUABLE U.S. WORK EXPERIENCE

Upon successful completion of a full-year certificate or degree program, you will be eligible to apply for Optional Practical Training (OPT). OPT authorizes you to work in the U.S. for 12 months. Students in the Full-Time MBA program gain six months of full-time MBA-level work experience before graduation, in addition to OPT. This is an exciting opportunity to work in the American business environment. Northeastern has a strong reputation for producing graduates at the leading edge of their fields.

Where do you want your career to go next? In less than two years from now, you could have a degree, U.S. work experience, and a deeper understanding of business principles that will help you make your next career move.

It all starts at D’Amore-McKim School of Business.
