ACCELERATED 4-MONTH GRADUATE CERTIFICATE IN BUSINESS ADMINISTRATION

Northeastern University is ranked as a top 40 U.S. research university by U.S. News & World Report College Rankings.

Short-Term Immersive Business Education

The Accelerated 4-Month Curriculum at Northeastern University’s D’Amore-McKim School of Business allows students from all over the world to study in Boston and earn a graduate Certificate in Business Administration. Taken full-time for one semester, the program is designed to be an immersive and customizable route to earning your graduate certificate.

INTERNATIONAL BUSINESS EXPERIENCE

This program provides both international and domestic students with a one-semester, 12-credit business education. You may select any four MBA courses offered that term.* A customized schedule can be created to meet your unique educational goals and experience.

Through rigorous academics completed alongside a closely connected group of classmates with diverse professional backgrounds, you can build a strong foundation of business knowledge to accelerate your career. Together, you and your classmates will establish deep personal and professional connections, ensuring the learning spills out of the classroom and your network grows strong.

This route is a great option for professionals who are looking to earn a valuable professional credential in a short period of time. If you have limited time in the U.S., are on sabbatical, or are looking to re-enter the workforce, this intensive program can get you the skills you need without delay. Build on your existing professional experience and bring new business perspectives back to your career.

*Be mindful that some courses have pre-requisites. You must meet all requirements before enrolling in a course.

EARN A GRADUATE CERTIFICATE IN JUST 4 MONTHS

Graduate Certificates are programs of study designed to meet the education needs of business professionals who see opportunities ahead. Students can select any four, 3-credit courses from our current MBA program and explore topics such as:

- Harnessing innovation for business development
- Analyzing market strategy for profitability
- Using information from financial reports
- Understanding key considerations to manage a global enterprise

INTERNATIONAL STUDENTS: TRANSFER YOUR CREDITS BACK HOME
You may choose to enroll as an international student, while pursuing a graduate degree in your home country. Northeastern University is AACSB accredited, and with proper approval from your home university, the credits you earn in this program may transfer back into the program at your university.

GLOBAL EXPERTISE. REAL-WORLD EXPERIENCE.
Both international and domestic students will thrive in D’Amore-McKim’s vibrant and welcoming classrooms. Northeastern University hosts over 11,700 international students from 140 different countries. Students in our programs bring international perspectives, valuable professional experiences, and strong intellectual curiosity to classroom discussions.

D’Amore-McKim certificate courses are taught by experts in the field, including both academic thought leaders and professionals with active industry connections. Each faculty member understands the challenges of today’s global economy and is committed to your success.

JOIN BOSTON’S THRIVING CENTER OF BUSINESS, TECHNOLOGY AND INNOVATION
