Sharpen Your Insight Into How Businesses Succeed

Accounting and financial decision making skills are the foundation of any successful business venture. Individuals with the knowledge and experience to make informed financial decisions are highly valued contributors in businesses across the globe.

In the Graduate Certificate in Accounting and Financial Decision Making you will have the opportunity to explore topics such as financial risk management, value creation, and information analysis. Exposure to decision making theory will assist your conceptual understanding of how investors, money managers, and corporate managers make economic and financial decisions.

TARGETED COURSES TO ADVANCE YOUR CAREER

By mastering the curriculum in this Graduate Certificate, you will gain valuable insight to help you succeed when faced with real-world financial challenges.

Each of the classes for your Graduate Certificate in Accounting and Financial Decision Making will help you gain essential business knowledge to develop your career potential. Your graduate coursework will include:

Four Required Courses:
• Financial Reporting and Managerial Decision Making 1
• Financial Reporting and Managerial Decision Making 2
• Information Analysis
• Value Creation through Financial Decision Making

Electives (select 1):
• Managing Information Resources
• Any core MBA course

In this program, you will have the opportunity to network with students and world-class faculty with expansive industry backgrounds. Building upon these relationships can assist the growth of your professional network and help you accelerate your career.

A SHORT-TERM INVESTMENT IN LONG-TERM SUCCESS

To earn the graduate certificate you will be a full-time student, earning 15 credits over eight months, which is two consecutive semesters. There is a short break in-between semesters during which time you may choose to visit your home country or travel in the U.S.

TWO CONVENIENT START DATES

Summer (May) Application Deadline: March 1st
Fall (September) Application Deadline: July 1st
STUDY IN BOSTON: A THRIVING INTERNATIONAL BUSINESS COMMUNITY

You will join more than 47,000 international students who contribute to Boston’s vibrant global environment. With a coastal location, safe and livable neighborhoods, historic sites, exciting sporting events, and architectural beauty, it is easy to see why so many international students choose Boston as their destination of choice.

EXTEND YOUR U.S. EXPERIENCE

Upon completion of the certificate program, you may become eligible for Optional Practical Training (OPT) so you can work for 12 months in the U.S.

Credits earned upon successful completion of the certificate program may be applied to an eligible MBA or master’s degree program at Northeastern.

QUALIFICATIONS

- 3.0 GPA in your undergraduate degree
- Work experience desired, but not required.
- TOEFL Level 100, IELTS Level 7 (or English proficiency demonstrated in an interview)

No GMAT or GRE test scores are required to apply. The Graduate Certificate in Accounting and Financial Decision-Making is a smart way to position yourself to move into an influential role in your employer’s important financial decisions.
