It’s time to make a short-term investment in yourself, for long-term returns. We will prepare you to take your place among global financial leaders tackling real-world challenges.

The D’Amore-McKim MS in Finance (MSF) offers rigorous training in finance, helping you to develop strong analytic and problem-solving skill sets that will set you apart from other professionals in the market. At our program’s core is a top-tier curriculum that consists of rigorous coursework, real-world applications, and a commitment to ethics.

You will learn firsthand from distinguished faculty dedicated to your success. You will gain the confidence in yourself to be a financial leader, determining how your company will meet its strategic goals.

**Full-Time Cohort**
This intensive, 12-month program has an emphasis on quantitative methods and finance theory. You and 40 fellow students will take courses together as a cohort. You will form close professional and personal bonds with your cohort colleagues, prompting productive learning and engaging class discussions.

**Part-Time Option for Working Professionals**
As a working professional, the Part-Time MSF offers you a high level of flexibility. You will tailor your experience to your specific career goals through a range of elective courses in corporate finance and investments. Classes are held in the evenings.

**CFA® Preparation**
D’Amore-McKim faculty integrate the CFA Body of Knowledge into the MSF curriculum to prepare you to be successful with the CFA exams.

---

**Curriculum Topics**
Our MSF curriculum provides comprehensive coverage of these and other critical concepts in finance:
- Valuation
- Mergers and Acquisitions
- Business Turnaround
- Risk Management
- Derivatives
- Investments

**Admissions Process**
The admissions process follows a deadline-driven timetable, which means applications are reviewed—and decisions rendered—depending on the date your application is submitted. It is always advantageous for you to submit your application as early as possible.

**Application Deadlines**
