Information about the guest house apartments on campus

The 10 guest house apartments are located within the newest dormitory which include a private bathroom, shower, kitchen with appliances (refrigerator, sink, 2 heating elements for cooking, some pans, dishes, glasses and utensils) and some furniture (bed, desk, chair and closet). Internet service is also available in each room and there is no extra charge for this; however, you should bring a LAN cable since the wireless is not dependable and you need the cable to hook up initially. The cost for a single apartment is 270 Euros per month plus a cleaning fee of 40 € which is due upon move-in. The contract runs on a 6 month basis starting on August 1st and ending January 31st.

Guest apartments are located within this area of the dorm located on Pestalozzistrasse. 41.

This is the location of the guest apartments. They are directly next to the campus.

If you would like to purchase bedding, we do have it available as well, it costs 35 Euros. Please let me know ahead of time if you require bedding.
