Visa not required for US citizens. **Non-US citizens should check with the Irish Embassy about visa requirements.** Residence permit is required upon arrival in Ireland. Details on documentation needed is given to students prior to departure. Renew if dual degree. Passport must be valid for 2 years from arrival in Ireland.

Students are required to prove that they have insurance coverage in Ireland. Students do have the option to purchase a health plan recommended by DCU (details are available through the International Office website).

Students have the option to apply for on-campus housing or may live in student residences directly off campus that are not owned by DCU. Information is provided on-line by DCU and through the BSIB Office.

DCU Offers an Orientation for international students before the start of classes.

DCU’s INTRA Office has an advisor dedicated to help business students navigate the application process. They manage job postings, are available for resume help and interview skills consultation.
