Medical Certificate Example

This certificate must be issued in the place of residence, and is valid for 3 months counting from the date it has been issued. This Certificate must be signed in the hand of the doctor (M.D. or D.O.) in a letter-head paper in the following format:

“This medical certificate attests that Mr. / Mrs. ________________ does not suffer from any illness that would pose a threat to public health according to the International Health Regulations of 2005.”
